## FMT302 Instruction Manual

### Introduction

This Polymask dispenser is designed for use with a 4ft roll of polythene sheeting and is easily moved around the workshop thanks to its large 8" rubber wheels.

### General Safety Information

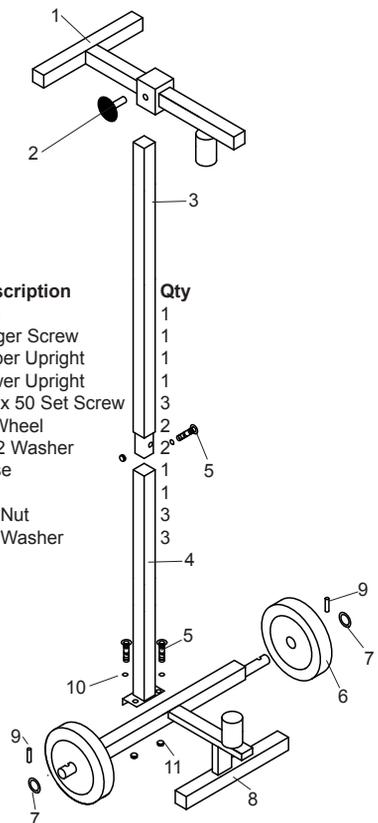

- 1 Always use this tool on a firm level surface.
- 2 Do not use this tool whilst under the influence of drugs, alcohol and intoxicating medication.
- 3 Do not use this tool for any other purpose other than that for which it is intended. This tool is not intended as a climbing frame or tethering point.
- 4 Do not allow children and other unauthorised persons to use this equipment.
- 5 Due to the nature of the manufacturing process, there may be some sharp edges on some components of this equipment. It is strongly recommended that hand protection is worn when using this tool.
- 6 Do not hang items from the top of this tool, this upsets the balance of the tool and can cause it to fall over, potentially leading to personal injury and damage to property.
- 7 Always be aware of those around you and keep in mind that your actions have a direct effect on your colleagues and visitors.

### Environmental

- 1 Ensure that all packaging is disposed of in a responsible manner.
- 2 At the end of its life, this tool can be disposed of along with your normal waste, always consult local authority guidelines first.
