# FMT615

## Instruction Manual

### Introduction

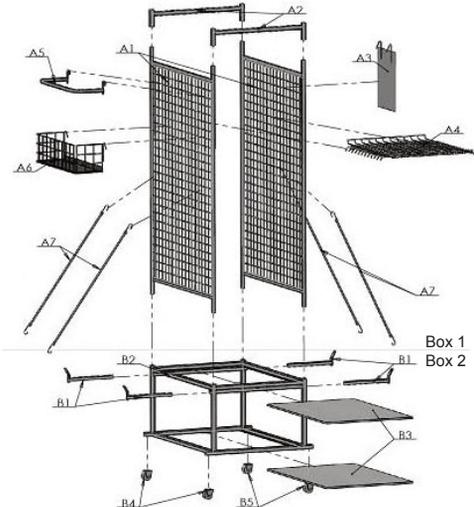

The FMT615 is designed to give a safe place for parts to be stored whilst the vehicle is being repaired.

### General Safety Instructions

- 1 Use this trolley on a smooth, level, non-slip surface and always keep your working environment clean and tidy.
- 2 Do not use this trolley whilst under the influence of drugs, alcohol and intoxicating medication.
- 3 Do not use this trolley for any other purpose other than that for which it is intended. This trolley is not intended as a tethering point.
- 4 Do not allow children and other unauthorised persons to use this equipment.
- 5 This trolley may have sharp edges. It is strongly recommended that hand protection is worn when using this equipment.
- 6 Always be aware of those around you and keep in mind that your actions have a direct effect on your colleagues and visitors.
- 7 Do not overload this cart as this could cause damage to property and personal injury.
- 8 Do not use this equipment as a hop up or mobile platform, improper use could cause personal injury and damage to property.

### Parts Diagram
