Warranty

Important, please read before use

We hope you will be very happy with your purchase, but if you do have a problem then you also have the peace of mind of a 12 month warranty which comes into play from the date of purchase.

Scope of warranty

The warranty will cover you from all faults caused by faulty components and workmanship.

This warranty does not cover consumables and normal wear & tear.

Validity

This warranty is valid for 12 months. Warranty becomes invalid under the following circumstances;

- Tool is taken apart of any reason without our prior consent.
- Tool is not oiled daily, causing premature wear of components.
- Air supply line is used without a properly working air filter which allows water into the internals of the unit.
